Declaration of Compliance Statement - 512 - Detectable Hand Brush

Product Code	Product Description
512-A49-T120-P	Detectable Hand Brush

Our hand brush is made from Polypropylene and features soft Polyester bristles. The bristle filaments are metal detectable and X-ray visible. Light and agile, this counter brush has a cranked handle which is comfortable to hold, keeps the users hands away from the work surface and allows easy control.
